

In June, Diane and her friends visited Alcatraz Island. This island is located 1.25 miles offshore in the San Francisco Bay. It used to serve as a lighthouse, military fort, and prison. Diane and her friends took a small tour boat across bay to reach the island. Their visit included a guided tour through the old military base and prison. They also took a walk around the island to appreciate some of the native wildlife in addition to the views of the city
